Under the WSCA/NASPO contract, IBM's middleware is expected to be sold with hardware.
Certain exceptions such as the addition of staff or a roll out would allow for separate purchases.
Questions regarding the policy of linking hardware with software sale can be directed to the WSCA/NASPO administrator in Minnesota, Susan Kahle at susan.kahle@state.mn.us

Prices contained herein are subject to change and do not contain any State & Local taxes, if applicable for your area. Please consult your IBM representative for current prices or to verify tax implications or exemptions

Discount rates within product families may vary and some products eligible for sale within the WSCA/NASPO product guidelines may have a zero discount

Prices based on configuration.
Prices are subject to change without notice.
See your IBM representative for exact configuration/pricing.

All parts removed or replaced become property of IBM and must be returned.

Product charges: With each appliance acquired, IBM includes one year of appliance support consisting of 9 hours per day, Monday through Friday, excluding holidays, next business day response. The initial period of maintenance can be upgraded by the purchase of warranty service upgrade or extended by the purchase of a renewal option, if available.
