IBM e-tools – a paperless option for doing
business and helping the environment

ibm.com/support/operations/cy

Ever wondered how to...

- **Find out when your order will be delivered?**
- **Obtain information about your invoice or contract?**
- **Get your account statement to help you plan your budget?**
- **Change your company's installed inventory?**

You can do all this and much more using **Customer Support OnLine**.

Communication with IBM has never been so easy. Take advantage of our expertise and self-service access to your business information to help you save time and increase productivity. You will find information on:

- *Orders and delivery*
- *Invoices and payments*
- *Contracts*
- *Inventory and maintenance*

Customer Support OnLine provides realtime administrative support 24 hours a day, seven days a week – completely free of charge.

For accurate responses to all your administrative needs and to reduce paper waste by conducting your business online, access the **Customer Support OnLine Web site** today.

Visit **ibm.com/cy** and look for **Learn about: Administrative Support**.

How can I...

...view my orders online?

You can view and track your orders online, securely and in realtime – from the date they are generated right through to delivery.

To access your orders:

- Visit: **ibm.com/cy**
- Look for **Learn about**
- Select **Administrative support**
- Choose **Track the status of your order**

Sign in as a guest user for basic order status information, or register as a new user for expanded search capabilities. If already entitled, use your IBM user ID and password.

...view my statements online?

This site provides secure, online access to your statement of account data. View and download your account invoices, credit notes, payments and reports.

To access your statements:

- Visit: **ibm.com/cy**
- Look for **Learn about**
- Select **Administrative support**
- Choose **View, print and download your statement of account**

Register as a new user online or, if already entitled, use your IBM user ID and password.

...obtain additional information online?

Using your IBM ID and password, you can also submit requests in a secure environment through our Web forms. Our skilled IBM representatives will provide you with an answer online, which is retrievable 24/7.

To access the online forms:

- Visit: **ibm.com/cy**
- Look for **Learn about**
- Select **Administrative support**
- Choose **your administrative requests** and complete the relevant form
